

# Please **PRAY** for **INF CAMPS**

Thousands of people have been helped through medical and surgical camps

**Photo:** Patients waiting to be seen at a Medical Camp.

# Heavenly Father,

Thank you for the opportunities to share the love of the Lord Jesus through the camps run by INF.

- *May those who manage and run the camps hear your voice clearly and be directed by you.*
- *May they always go where the need is greatest.*
- *Please meet the practical and financial needs of the camps, and draw the right visiting medics to join the team for each camp.*

## Amen
